The Australian Nurses Journal
Index to Volume 13, 1983-84

The 'Journal' has been indexed by author and subject with entries arranged in alphabetical order based on the Latrobe University style. All articles have been indexed, as have other items from sections such as 'The Profession'.

The 'Journal' index is divided into two sequences:

1. The author listing, in which articles are listed in alphabetical order, under the authors' surnames:
   e.g.: Chan, Michelle. "Malnutrition and the cancer patient". No. 3, September 1983, 34-35, 51.
   Clark, Gillian. "Computers and the nurse". No. 9, April 1984, 45-47.
2. The subject listing, in which articles are listed in alphabetical order, under the headings for subject:
   e.g.: STRESS
   Davis, Phil. "Night nursing – an aspect of occupational stress." No. 6, December/ January 1984, 46-47.
   Mertin, Peter and Watson, Jennifer. "Stress in a neonatal intensive care unit." No. 10, May 1984, 35-36.

Articles which appeared in the "Practice" or "Research" sections of the 'Journal' are indicated by a note in brackets, following the title:
e.g.: Brann, Joy, "Hospice home care – a pilot project in W.A." (Practice). No. 1, July 1983, 47-49.
